Registration

Visit Website www.gpcpsc.edu.bd

Objective

To enrich students' perspectives, enhance their digital and life skills, and empower them to adapt and contribute confidently in diverse environments—whether in school, the workplace, or global settings.

Facilitator: Priyota Imam

Gazipur Cantonment Public School is organizing this program for the first time in collaboration with Priyota Imam, rising senior from Cambridge Rindge and Latin High School, Massachusetts, USA. She is fluent in Bengali. With experience at Google and the Harvard-Smithsonian Astrophysics Observatory, Priyota brings a unique mix of technical skill, scientific curiosity, and cultural insight to the initiative.

Organizer: Gazipur Cantonment Public School and College
